How has license ownership changed over time?

Stakes in licenses are sold over time and rights can be divided. This diagram will review companies who hold a stake in Petroleum Exploration Licenses (PEL). The Namibian National Petroleum Corporation (NAMCOR) is a government entity that generally has at least a 10% stake in all concessions.

LICENSES

PEL0075

On x date, PEL0075 covering Blocks a, b and c was issued to Camelot
(probably full company name here)

NAMCOR holds a 10% carried stake in the license

On y date, Camelot sold an 80% stake in the project to Shorecan
